

Information	Description
Tour name	Lucerne: Pilatus Silver by cable car
Code produit	KTU724
Time	10:45
Description	<p>On this self-guided day tour from Lucerne, discover the mystical charm of Mount Pilatus, Lucerne's iconic mountain. Legends tell of dragons inhabiting the mountain, with Pontius Pilate rumored to be buried beneath its waters. Standing at 2,128 meters, Pilatus has inspired countless tales and continues to enchant visitors with its breathtaking landscapes.</p> <p>Start your adventure with a panoramic cable car ride from Kriens to the summit, followed by the thrilling "Dragon Ride" aerial cableway, offering spectacular views through its floor-to-ceiling windows, as if you're soaring through the sky. From the top, marvel at the sweeping vistas of 73 Alpine peaks. Relax and take in the scenery at the mountaintop restaurants and terraces, located at an altitude of 2,132 meters.</p>
